ST HUGH'S PREP SCHOOL

We've specially designed a programme to encourage students living in the UK to experience a week in the life of an English boarder.

Why not try a six night stay with us over the summer holidays? We are the school holiday stress-free childcare solution for busy parents. Attending our camp is a great opportunity for children to get outside, learn new skills, have some fun, enjoy some fresh air and make new friends from different schools, cities and countries too.

Children can choose from a wide range of fun activities during their stay and parents can relax for a few days: our professional, friendly staff will keep your children busy while you are working.

St Hugh's School is housed at Carswell Manor, a 17th century English country estate, in beautiful Oxfordshire and was voted Tatler's best prep school in the United Kingdom in 2024. Located in an iconic setting of woodlands and picturesque landscape, with impressive sporting and swimming facilities, St Hugh's is the ideal destination for an authentic English boarding school experience.
